Respite is the temporary relief from the emotional and physical demands of caring for a friend or relative.

Caregiver relief is the primary purpose of the Richmond Overnight Respite Program. We offer your loved one an opportunity to stay with us, while you have a brief period of rest and relief, so that you can continue to provide good care upon their return.

Operated by Vancouver Coastal Health Authority (VCHA) Richmond Lions Manor Bridgeport is home to 74 residents and offers five semi-private rooms (two guests per room) and two private rooms in their Overnight Respite Program.
