

Electric vehicle charging

Designated electric vehicle charging stations are available for staff, medical staff, patients and visitors at VCH hospitals.

Please note:

- Charging is available for up to 4 hours at Level 2 stations and up to 1 hour at Level 3 stations.
- EV stalls are for EV cars **only**. Do not park in the designated stalls if you do not have an EV.
- Kindly only park in the designated stalls when you really need a charge.
