Why Choose Us:

Advanced Mobility is a B.C. owned and operated Company employing 28 people, and have been doing business since 1987. We are a progressive company focused on offering clients with physical challenges the best service, free assessment and trial of the widest range of new and innovative mechanical aides, implements and essential equipment. Advanced Mobility has been a successful dealer because of our loyal staff, who sales, service and life experiences offer a comprehensive level of service to the client. Accompanied by that is our extensive equipment trial/demo pool, which helps the individual make the best choices for them. We are able to meet with the client in their homes, or facility and work closely with the prescribing staff. Advanced Mobility is staffed with knowledgeable and experienced people that are able to advise, counsel, service and repair each unique need that a client may have.
