Respite is the temporary relief from the emotional and physical demands of caring for a friend or relative.

Caregiver relief is the primary purpose of the Vancouver Overnight Respite Program. The program provides your friend or relative with an opportunity to stay with us while you have a short period of rest and relief, so that you can continue to provide good care upon your return.

COSTS:

Payment Process:

Guests pay for their stay upon admission

There may be additional charges during your stay:

- * TV/Cable
- * Package of toiletries
- * Wound supplies
- * Incontinence supplies
- * Laundry
- * Pharmacy medication reconciliation

WHO IS THE PROGRAM FOR?

- * Adults living in Vancouver who are currently being cared for at home.
- * Caregivers in need of some temporary relief from the emotional and physical demands of caring for a friend or relative.
- * Guests assessed by a VCH Case Manager
- * Guests who are medically stable

Note: Caregivers making travel or vacation plans should consider cancellation insurance or have an alternative plan in the event the guests condition deteriorates or becomes unstable and they are no longer eligible for a respite bed.

- * Services available:
 - * Nursing care
 - * Wound care
 - * Special diets
 - * Medication management
 - * Opportunity to socialize and access group activities
